Just a quick heads-up regarding payments! We wanted to make sure you're aware that all credit card payments are subject to a **2.5% credit card fee**. Don't worry, though—there's no fee for check or domestic ACH payments. We like to keep things hassle-free for you!  
Now, if you're making international payments, we kindly ask for a \$45 wire fee.  
We know it's not the most exciting part of the process, but we gotta keep the global wires buzzing smoothly.
